Pre-Listing Checklist

Get your home ready to sell for top dollar. Tick each box as you go.

Price it right
Set from real sales, not wishful thinking.

Make it shine
Clean, fresh and fixed beats a big renovation.

Show it well
Photos and showings sell the home.

01 Price it right

Buyers compare. An overpriced home gets skipped.

- [ ] Review recent sales on your street with us
- [ ] Check what is for sale now: your competition
- [ ] Agree on a list price backed by real sales

02 Deep clean

Clean sells. Buyers open everything.

- [ ] Inside the oven, fridge, microwave and dishwasher
- [ ] Showers, tubs, glass doors and grout
- [ ] Windows, sills and tracks, inside and out
- [ ] Baseboards, light switches, vents and doors
- [ ] Carpets and rugs, professionally if needed

03 Air it out

Smell is the first thing buyers notice.

- [ ] Open the windows before every showing
- [ ] Remove pet, cooking and smoke odours
- [ ] Replace the furnace filter
- [ ] Skip strong air fresheners and candles

04 Declutter

Less stuff makes every room look bigger.

- [ ] Clear kitchen and bathroom counters
- [ ] Pack away half of what is in each closet
- [ ] Remove extra furniture so rooms feel open
- [ ] Put away family photos and personal items
- [ ] Clean out the garage and storage areas

05 Small fixes

Little issues make buyers wonder what else is wrong.

- [ ] Fix dripping taps and running toilets
- [ ] Replace burnt-out bulbs, all one colour
- [ ] Patch and touch up scuffed walls
- [ ] Re-caulk tubs, showers and sinks
- [ ] Tighten loose handles, hinges and railings

06 Exterior maintenance

First impressions start at the curb.

- [ ] Cut the grass, edge and weed the gardens
- [ ] Power wash the driveway, walkway and steps
- [ ] Clean the front door, hardware and house numbers
- [ ] Clear the eavestroughs and check the roof
- [ ] In winter, keep walkways clear of snow and ice

07 Skip the expensive renos

You rarely get back what a big renovation costs.

- [ ] Don’t redo the kitchen or bathrooms to sell
- [ ] Talk to us before you spend on any upgrade
- [ ] Put your money into cleaning, paint and fixes

08 Photo and showing day

Most buyers see your home online first.

- [ ] Turn on every light and open the blinds
- [ ] Hide cars, bins, cords and pet items
- [ ] Clear every counter completely
- [ ] Put away toiletries, set out fresh towels
- [ ] Step out during showings

09 Paperwork to gather

Having it ready makes the sale go faster.

- [ ] Mortgage statement and any penalty details
- [ ] Your latest property tax bill
- [ ] Average utility costs: gas, hydro, water
- [ ] Your survey, if you have one
- [ ] Receipts and permits for upgrades
- [ ] Rental contracts: water heater, furnace, A/C
